"Faithfulness is Life"

Acts 20:17-24

Big Idea - A faithful life is one spent proclaiming the grace of God in all circumstances.

- I. Faithfulness is being bound by the Spirit of God to the will of God. (v. 22)
 - The Spirit grows our faith, enabling us to hear and follow God's purposes.

- I. Faithfulness is not dependent on circumstances- past, present or future. (v.18-19, 22-23)
 - Faith is the anchor that keeps us centered on the midst of life's storms.

- II. Faithfulness is using your life to testify to the grace of God. (v. 24)

Questions for reflection

1. Does your faith in God keep you steady in difficult times,
2. or do your circumstances determine how much you trust in God?
3. How do you "testify to the grace of God" in your own life?

Next week: Acts 20: 25-38
